Shree Varuna

Stimulator	You are a source of energy for others. You create positive environments and provide opportunities for fun that employees enjoy. You bring out the best in others through appreciation and recognition.
Developer	You see potential in those around you and strive to learn as much as you can about others. You use the unique abilities of others to identify growth opportunities. Delegating responsibilities based on the talents and interests of others, you prepare individuals to develop future successes on their own.
Problem Solver	You enjoy the challenge of solving problems. You gather evidence and use reasoning to diagnose the root cause of the problem. You then apply this information to create a solution.
Responsibility	You maintain a high sense of personal accountability. You follow through on commitments even when it is difficult and take ownership of mistakes and failures. Reliable and dependable, you willingly take on more work to achieve individual and team outcomes.
Discipline	You are well-organized and thrive in environments with structured routines. You create plans and systems to efficiently achieve desired outcomes, and methodically prioritize your tasks.

"The person born with a talent they are meant to use will find their greatest happiness in using it."
-Johann Wolfgang von Goethe
